

Valued Neighbor,

The Washington Township Historic Preservation Commission is in need of your help. We will be hosting our 15th Annual Classic Car Show at The Olde Stone House Village on Saturday, April 29th 2023. Due to the enormous growth in participation, we have decided to reach out to the community for support and partnership. There are several ways in which a sponsor can become a part of our event. Your participation and donations are a great way to help preserve local history while advertising your business.

You or your business may donate an item for our basket auction, purchase an advertisement space in our booklet, or sponsor a class or classes of trophies. Donors for the basket auction may donate anything from gift certificates, baskets of car products, snack foods, toys, sports tickets, memorabilia, or anything you see appropriate. This qualifies for you to have you or your business name displayed in our booklet list of basket sponsors and advertised on Facebook.

The WTHPC creates a booklet with Township history, fun facts, sponsors, and much more. Our booklet is distributed to Car Show entrants and is also distributed throughout the year at our events on and off site. Booklet ad space is available for sale in ¼ page, which is perfect for a business card (\$25), ½ page (\$50), or full page (\$100) increments. ***\$100.00 donors also get (1) Trophy Sponsorship FREE OF CHARGE while supplies last.*** Please contact us for availability. You are responsible for providing the information/logo you would like printed in the ad space ***by the due date.*** Ideally you should plan on emailing us your ad space information, however, we can use scans of business cards for the ¼ page ads. Due to the growing amount of ad space, we can no longer create ads for you. If your ad information is not received by April 14th, a generic ad of your name will be printed and no refund will be provided.

Another great way for participation is considering a trophy sponsorship for best in class cars. Trophies may be sponsored at a cost of \$25 each. Your name or business name will be engraved on the trophy along with the car class, date, and show name. At the conclusion of the day, your name or business name will be announced with each sponsored trophy.

Sponsorship for trophies and booklet need to be sent in & **confirmed by April 14TH 2023** to allow time for production and publication. We sincerely hope you decide to be a part of such a wonderful community event. Our sponsors are the reason we had such a phenomenal response from last years quest to re-vitalize The Olde Stone House Village. Should you have any questions or would like to become a sponsor, please contact me directly.

All My Best,

Nicholas Appice
Chairman
Washington Township Historic Preservation Commission
