

Valued Neighbor,

The Washington Township Historic Preservation Commission (WTHPC) respectfully requests your support for our **18th Annual Classic Car Show**, to be held on **Saturday, April 25, 2026**, at the Olde Stone House Historic Village. Due to the continued growth and popularity of this event, we are reaching out to our local community for partnership and sponsorship opportunities. Your participation is a meaningful way to help preserve local history while promoting your business to a wide and engaged audience.

There are several ways you or your business can support the event. Donations for our **basket auction** are greatly appreciated and may include gift certificates, automotive items, food products, toys, sports tickets, memorabilia, or other suitable items. All basket donors will be recognized in our event booklet and featured on our Facebook page.

The WTHPC also produces a professionally designed booklet featuring Township history, fun facts, and sponsor acknowledgments. This booklet is distributed to car show participants and at events throughout the year, both on- and off-site. Advertising space is available in the following formats: **¼ page (\$25)**, **½ page (\$50)**, or **full page (\$100)**. Full-page advertisers will also receive **one complimentary trophy sponsorship**, while supplies last. Advertisers are responsible for providing their artwork or ad content by the stated deadline. Business card scans are acceptable for ¼-page and full-page ads. Due to volume, we are no longer able to design ads on behalf of sponsors. If ad materials are not received by **April 10, 2026**, a generic name listing will be printed, and refunds cannot be issued.

Another popular sponsorship option is **trophy sponsorship** for Best-in-Class vehicles. Trophies may be sponsored for **\$25 each** and will be engraved with the sponsor's name, car class, event name, and date. Sponsors will also be recognized during the awards ceremony and printed in our booklet.

All booklet advertising and trophy sponsorships must be received and confirmed by **April 10, 2026**, to allow sufficient time for production. Our sponsors play a vital role in the continued revitalization of the Olde Stone House Historic Village, and we sincerely hope you will consider being part of this cherished community event.

Should you have any questions or wish to become a sponsor, please feel free to contact me directly.

All my best,

**Nicholas Appice**  
Chairman  
Washington Township Historic Preservation Commission
